Response

Honorable Commissioner of Patents:

This paper is being filed in response to the Notice of Non-Compliant Amendment (37 CFR 1.121) dated 03/02/2004, stating that the amendments to the claims filed in the Response filed on 02/09/2004 did not include a status identifier for all claims as required in filing an amendment to the claims. On review it appears that the final statement of non-elected and withdrawn claims was omitted. This has now been added and the corrected section of the Amendments to the Claims is herewith resubmitted.

It is requested that the below version of the resubmitted claims be entered into this application and the application allowed. The claims are discussed in the Remarks which were previously submitted with the amendment document filed on 02-09-04.

Respectfully submitted,

Stanley Z. Cole, Reg. # 17,654
Attorney for Applicants
